

HANDPRINT: ACTION FOR SUSTAINABILITY
ICSE Conference, New Delhi
9-10 September 2019

The Handprint session at the ICSE conference will present the Handprint concept, its conceptualisation and vision and how it is used globally. The session will present four case studies of projects. It will be an opportunity for participants to explore how they can use the Handprint methodology in their own projects. It will introduce the Global Handprint Network and ways in which participants can join it.
