Sustainability***

Invitation

Dear Partner

We are pleased to inform you that the **5th International Conference on Sustainability Education (ICSE) 2023** is being organized on **September 19 and 20, 2023** at **India Habitat Centre (IHC)**, New Delhi by Mobius Foundation in partnership with some of the key global and national environmental organizations. The overarching theme of the conference is 'Educating for Climate Action and Sustainability'. The 5th version of the conference will mainly focus on the need to engage the participants toward a shift from dialogue to action for sustainability and to catalyse the transition to build the knowledge, skill and attitude needed to drive meaningful transformation towards climate action and sustainability.

The conference is expected to bring together around 300 participants physically and thousands virtually from across the globe representing multi-disciplinary and diverse group of stakeholders including: policy makers, ecopreneurs, teachers and educators, young professionals, representative of schools and education networks, youth, scientists and technical experts, as well as individuals from the private sector and civil society. It will have plenaries, parallel technical sessions, workshops and side events besides exhibition and poster presentations.

We cordially invite you and your colleagues to participate and contribute to the conference. We also request you and your organization to support/sponsor this important event as a valued partner.

Your sponsorship/support will go a long way to strengthen our efforts to accentuate the vision of a sustainable planet for a promising tomorrow.
