

**DO YOU THINK YOU HAVE WHAT IT TAKES
TO BE THE CHAMPION OF EARTH AND A
CHANGE-MAKER? IF YES,**

**WE INVITE YOU TO BE THE NEXT
YOUTH FOR EARTH CHAMPION**

The Climate Reality Project India and Mobius Foundation invite young change-makers to show the world it's time to act.

'Youth for Earth' looks for those change-makers who have brought about a betterment of the environment in their campuses or community and made their surroundings, cleaner and greener.
