

# WANT TO BECOME A CHANGE MAKER?

# INTRODUCTION

Planet Earth is facing a climate emergency like never before. Everything from flora, fauna, our natural capital, the water we drink, and the air we breathe, is under threat. Unsustainable growth and lifestyles are putting enormous pressure on the limited resources of planet earth.

## Can Things Change?

Yes, Situations can change and improve when motivated youth like you take the charge. Youth all around the world are coming forward and being part of the solution to Climate Crisis. International communities, scientists, organisations, governments have recognised that we only have a decade to act, it is the 'Decade of Action' to transform our world. Let's join this movement to save the earth and dedicate ourselves as "Y4E".
